Telephone Question Prompt Post Termination

- **Q1. Are you bleeding?**
- **Q2. How often are you changing your sanitary towels?**
- **Q3. Are you passing clots? If yes how big are they?**
- **Q4. Are you in any pain?**
- **Q5. On a scale of 1 – 10 how much pain are you in (10 being severe pain)?**
- **Q6. Have you taken any painkillers? If yes what type and at what time?**

Record the phone call on telephone advice sheet. If the patient calls during the night ask if they would be able to wait until morning to be reviewed. If the patient feels unable to wait they should attend the gynaecology ward as an emergency to be reviewed by medical staff.
